What is NetOnYou?

NetOnYou is a collaborative ecosystem where everyone contributes and everyone grows. We're not a complex system or a confusing structure — we are a community of entrepreneurs who share a real product and receive fair rewards for recommending it.

Here, no one works alone: we operate as a team, where success multiplies through collaboration and a completely transparent model.

The system is clear and simple. With a one-time payment of 39.90 USDC, you get your magazine and gain access to a compensation model where you receive 5 USDC across 6 levels for every new subscription generated within your network.

To maintain your right to earn commissions, you only need to make one sale per month. No monthly fees, no mandatory repurchases, and no confusing structures.

NetOnYou works just like when you discover something you like and recommend it to a friend. If that friend also buys it, you receive a small reward for the recommendation. It's that simple.

NetOnYou is designed for those looking for a legal, clear, duplicable, and accessible system, backed by a tangible product and a constantly growing community.

We have designed a **simple and transparent compensation plan.**

“If something is not understood, it doesn’t work. That’s why at NetOnYou we prefer clarity.”

Our Product

The subscription includes **12 editions (6 per year) of our exclusive digital magazines**, for 2 full years, with a single payment of **39.90 USDT/USDC, one-time only!**

Compensation Plan of the Direct Sales System with Incentives

The **NetOnYou compensation plan** is designed to be simple, clear, and attractive. From each sale of 39.90 USDT/USDC, **30.00 USDT/USDC** are distributed across commissions in 3 levels, and 3 more levels of **Expansion Bonuses**, while **9.90 USDT/USDC** go to support the platform.

Commission Activation Rules

1. Each affiliate must make at least **one direct sale per month**. Only then will they qualify to earn commissions for that month, generating commissions across all 6 levels.
2. If the minimum direct sale is not met in a given month, commissions will not be paid in the following month (from the 1st to the 10th). No commissions are generated during that period.
3. After a month without a direct sale, as soon as a new direct sale is made, activation is immediate, without the right to retroactive commissions. Only sales made in the current month (when the direct sale occurs) will generate commissions.

Commissions are paid the following month, between the **1st and 10th**, provided that at least one direct sale was made in the previous month.

Level / Concept	Commission (USDT/USDC)
Level 1 – Direct Sale	5,00
Level 2 – Commission	5,00
Level 3 – Commission	5,00
Level 4 – Expansion Bonus 1	5,00
Level 5 – Expansion Bonus 2	5,00
Level 6 – Expansion Bonus 3	5,00

DUPLICATION EXAMPLE IN NETONYOU (5 USDC Paid on All 6 Levels — Every Customer, Every Time)

MONTH 1

You bring in 10 direct partners.

Each one makes just 3 sales.

→ $10 + (10 \times 3) = 40$ total customers.

MONTH 2

Those 40 customers only need 1 sale per month to stay commission-qualified...

But let's keep the example at 3 sales each.

→ $40 \times 3 = 120$ total customers in your network.

MONTH 3

Now 120 people, each bringing 3 new customers:

→ $120 \times 3 = 360$ total customers.

MONTH 4

And those 360 people, each producing 3 sales:

→ $360 \times 3 = 1,080$ total customers.

MONTH 5

MONTH 6

KEY POINTS THAT LEADERS LOVE

★ No matter the level, you ALWAYS earn 5 USDC per customer.

Deep, wide, doesn't matter — you get paid.

★ Everyone needs just ONE sale per month to stay active, and most will do much more.

★ A fair, powerful, and truly duplicable system with real depth.

No complicated percentages. No confusion.

★ A one-time payment of only 39.90 USDC.

No monthly fees.

No autoships.

No hidden tricks.

No financial pressure — ever.

★ This creates massive acceptance, massive retention, and massive duplication, totally different from the “old-school MLMs” full of hidden fees and endless requirements.

Expansion Bonuses

Bonuses at levels 4, 5, and 6 can generate **additional income on real sales**, provided they occur.

- **Level 4 Expansion Bonus 1: 5 USDT/USDC**
- **Level 5 Expansion Bonus 2: 5 USDT/USDC**
- **Level 6 Expansion Bonus 3: 5 USDT/USDC**

Commission Activation

Commission payments are generated **only when a direct sale** of our digital magazines is made. Each commission is strictly tied to the **actual sale of the product**.

Our Legal and Ethical Commitment

At NetOnYou we work under a fundamental principle: **the value lies in the product**. Therefore:

- All commissions are generated only from **real sales** of our digital magazines.
- There are no hidden payments, monthly fees, or mandatory repurchases.
